Pomegranate — Commercial Types & Export Classification

A structured overview of EGAST's pomegranates offering, organized by commercial type, seasonal availability, size range, and export packing options.

This format helps buyers compare fresh pomegranate varieties, review suitable calibers, and prepare more accurate inquiries according to destination requirements and market needs.

Pomegranate Type	Availability	Sizes / Counts	Packaging
Baladi / Wonderful Pomegranate	September to November	6, 7, 8, 9, 10, 11, 12, 14	4.5 kg box packing

Information Needed for a Confirmed Quotation

- Destination, volume, shipment window, preferred packaging, required size/caliber, and required export documents.

Planning Notes

- Availability, sizes, calibers, and packing options are confirmed by EGAST's export team before final quotation.
- Final product specifications depend on buyer destination, market requirements, shipment window, order volume, and available packing materials.

Final availability, calibers, packing formats, shipment timing, and export documentation are confirmed by EGAST's export team for each buyer, destination, and order program.
